Mixed Football Fun for People with a Mild to Medium Disability!

Since 1992, the Ringwood Spiders has provided Australian Rules football opportunities for people with a mild to medium intellectual disability within the City of Maroondah and surrounding areas.

Our club has a strong position and history, and has forged a long-term relationship with the Maroondah City Council and other key local organisations.

We are more than just a football club and throughout the season host a social dinner after training for players and their families.

These provide the opportunity for everyone in the club to mix socially; something that is often lacking for people with a disability and their family members.

Senior Squad

- Mixed football program for people aged from 14.
- Encourages skills development, teamwork, friendship and fun!
- Wednesday evening training and skills sessions.
- 10-round Sunday mixed competition in the FIDA football league, plus finals.
- Social and recreation activities year-round.

Ringwood Spiders All-abilities Sports Club's Vision:

To provide and promote active participation in community sport and social activities for people with a disability,

To provide people with a disability an opportunity to interact, participate and build social skills and leadership within the community.
